## ***Our 21st Annual Sale***

We heartily invite you to come to Glenburn on Tuesday, October 22nd, for our 21st consecutive annual sale, the second combined Klaymor-Glenburn offering.

One year ago, the Klaymor consignment featured the first calves they sold by the 1954 grand champion, Kilburnie Augusta Ransom. This year the entire Klaymor offering is made up of the get of this great bull.

Repeatedly, daughters of Uppermill Marquis from the Wyndstone herd have been sale toppers, as enthusiastic bidders have tried to own them. The bull is now dead, but all five of Lew Scott's heifers are by him.

The 1956 Royal Winter Fair saw the breeding programme of the M-H-F herd beginning to bear fruit, when a son of Duncrahill Brigadoon was made reserve junior champion in a great show, and other entries stood close to the top. Two cows heavy in calf to Brigadoon and three daughters of the junior sire, Marellbar Lieutenant headline their consignment.

Glenburn entries featured the 1957 C.N.E. and London shows as Moray Jackaroo and a 7 months crop of his calves took the following awards:

- Senior and grand champion bull at both shows;
- Junior and reserve grand champion female at London;
- Reserve champion Shorthorn steer at the C.N.E.

Added to these were . . .

- Senior and reserve grand champion female at the C.N.E. on a granddaughter of Phopachy Diplomat, and;

- Runner-up for the reserve champion steer over all breeds at London on a 9 months old Diplomat son.

7 of the 11 Glenburn sale heifers have been prizewinners this year. Three are by Moray Jackaroo and six others will be bred to him.

In our recent sales, excellent cattle have sold at prices most favourable to the buyer. We strongly urge you to be with us on the 22nd.

**Remember the Louada Manor sale at Peterborough on October 21st  
and come to Glenburn on October 22nd**

# ***Terms and Conditions***

**The cattle offered in this sale are thoroughly healthy and are tested Federally for Tuberculosis and for Bang's Disease unless officially vaccinated. All papers necessary for export will be provided.**

1. Proper care should be given by purchaser to protect breeding qualities and health of animals. Any cattle in this sale that are fitted for exhibition purposes by their new owners are excluded from the following guarantee.

2. All bulls are guaranteed breeders. If bull when sold is 14 months of age or over and fails to breed, he must be reported within 6 months. If under 14 months of age when sold and fails to be a breeder, he must be reported by the time he attains the age of 20 months. A bull shall not be allowed to serve when under 14 months of age or be allowed to run with the herd when under 20 months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale, shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.

5. A certificate of registry in the Canadian Shorthorn Herd Book will be furnished with each animal. Any animal in this sale can be registered in the American Shorthorn Breeders' Herd Book at the usual \$10 fee.

6. We will not be responsible for accidents that may occur. As soon as cattle are sold, they are at the owner's risk, but every care and attention will be given them, and they will be loaded free of cost. Neither the Sale Manager nor the Clerk assumes any liability, legal or otherwise.

7. **TERMS—Cash.** Settlements must be made with the clerk immediately after the sale.

## REFERENCE SIRE C.

**PHOPACHY (Fop-a-Key) DIPLOMAT**—Sired by the 4700 guinea Naemoor Marshal and out of a dam whose top sires are those of the great Kirkton Baronet. Diplomat is almost a full brother of the sire of Lawton Nelson, supreme champion of the Palermo show in Argentina. Rothes Queen Tansy is the granddam of Kirkton Envoy, and the line of sires is identical but for the omission of Calrossie Broadhooks Bounty from the pedigree of Envoy. His daughters averaged \$994. at auction in 1951, \$1021. in 1952. He sired the grand champion steer of the 1953 C.N.E., the grand champion bull of the 1953 New Zealand Royal and the grand champion female of the 1953 Maritime Winter Fair, and the C.N.E. and London Champion of 1955, Glenburn Graceful Lass 16th.
